We are proud to present the *George Biles, King of Signwriters* Exhibition.

A celebration of the life and work of local artist Frederick George Everleigh Biles of North Allington, Bridport (1900 - 1987).

George was a highly talented artist, traditional signwriter, mural artist, calligrapher, creating beautiful artwork for a wide range of customers near and far during his 75-year-long illustrious painting career.

Exhibited within three town centre venues, showcasing a large selection of his original artworks from the local area; namely pictorial pub signs from Palmers Brewery, 100-year-old theatre backdrops from Bridport Pantomime Players, and a variety of other works loaned from private collections.

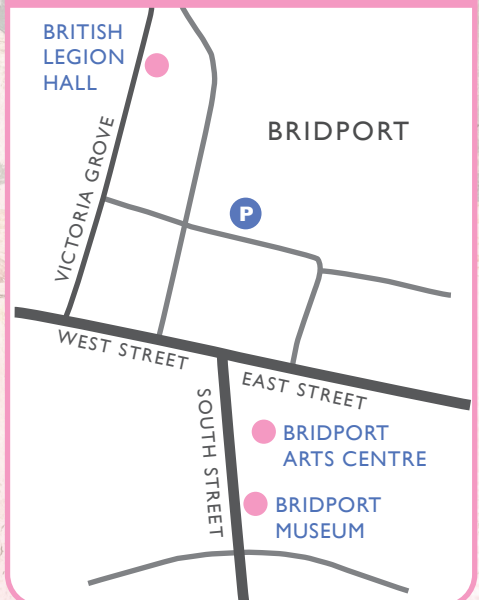

There is an opportunity to travel back in time to experience our recreation of his studio. There will be brushwork workshops and live demonstrations to explore the benefits and simple pleasures of having an artistic career.

This exhibition has been made possible with the kind support of Bridport Town Council, The National Lottery Heritage Fund, Palmers Brewery, Ken Allen signwriter of Yeovil, the British Legion Hall, Bridport Arts Centre, Bridport Museum, Bridport Local History Centre and Bridport Pantomime Players. We thank them and everyone else behind the scenes for making this dream possible. *Part of Bridport 2024 Town of Culture - celebrating people, place and culture.*
