

## PROPOSED TEMPORARY CLOSURE OF VICTORIA GROVE, BRIDPORT

I have received an application from National Grid Company to close VICTORIA GROVE, BRIDPORT between its junction with North Mills Road and number 37, Victoria Grove, a distance of approximately 230 metres. The closure has been requested to allow National Grid Company to carry out pole replacements. These works are programmed to commence between 0930 and 1530 on 09 July 2024.

National Grid Company will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Izzy Rowland, (trafficteam@dorsetcouncil.gov.uk) by 24 June 2024.
