5. MINUTES OF LAST MEETING

RESOLVED: that the minutes of the meeting of the inquorate NPJCC held on 29 February 2024 be approved, and that the Chairman should sign these as a correct record.

RESOLVED: That the following recommendations included within the minutes be approved:

(i) MINUTES OF LAST MEETING

That the minutes of the meeting of the NPJCC held on 30 November 2023 be agreed, and that the Chairman should sign these as a correct record.

(ii) PROPOSAL FOR LIGHT REVIEW OF BANP 2024

That the proposal for a light, factual review of the BANP presented by the BANP Steering Group be approved. The proposed review would be a valuable exercise in preparing for and responding to the Dorset Council Local Plan consultation, expected in early 2025.

(iii) OTHER INFORMATION UPDATE ITEMS

That the updates be noted.

6. IMPLEMENTING THE NEIGHBOURHOOD PLAN – ANNUAL MONITORING REPORT

Consideration was given to the draft Annual Monitoring report, ENCL: 3908. The Project Manager introduced the report, which covered both the use of the Plan, and progress with projects. He advised that Dorset Council was using the Plan, but more work might be required to establish more detail of how it was used. Some planning decisions had been contrary to the recommendations of participating councils. Bridport Town Council and Bradpole Parish Council had made extensive use of, and reference to, the Plan in comments on applications, but other councils less so.

Members discussed:

- Typographical errors in the report, for correction.
- The impact of the monitoring report. The Project Manager advised that it would be submitted to Dorset Council for consideration, and would be used in any review of the Plan.
- An outstanding requirement for Symondsburry Parish Council to provide details of expenditure on BANP Projects and any CIL contributions to complete the report.

The Town Clerk left the meeting at this point and did not return.

Members also noted that the five-year land supply requirements for each current Local Plan in the Dorset Council area were set to be 'pooled' into one calculation for the whole area.

RESOLVED: that the BANP Annual Monitoring Review 2023/24 be approved, subject with the above additions.

7. PLAN REVIEW TIMETABLE

The Project Manager and Communities Initiatives Officer reported that:

- The Neighbourhood Plan Steering Group had commenced preparatory work for a light review – identifying need for updating text, and any policy changes that would affect BANP policies.
- The current BANP had identified a need for a workspace survey, to better understand need and supply issues impacting economic development.
- Waiting lists for allotments was an increasing issue that the review needed to consider. Current information on the allotment situation for Symondsburry Parish Council was needed, and Cllr Paul Hartmann agreed to pursue this.

Members noted that it was important to be proactive in using and updating the BANP, and that aligning and connecting the BANP review with Dorset Local Plan production should guide and inform the review.

RESOLVED: That a meeting with senior officers of Dorset Council be sought, to discuss the relationship between the BANP review and production of the Dorset Local Plan. This meeting to be attended by the NPJCC Vice Chair and possibly Cllr Dave Bolwell or Cllr Kelvin Clayton, and reported back to the September meeting.

RESOLVED: That a brief and budget request to undertake a workspace survey be prepared, and that a decision whether to proceed be delegated to the Chair and Vice Chair, in consultation with the Project Manager.
